

A FOUNDATION FOR THE FUTURE

2023 Great Steak Cook-Off

The Education Foundation was honored to be the new title organization of the 2023 Great Steak Cook-off and crowning our first winner Code Blue Cookers, Sponsored by the Matagorda Regional Medical Center. We are eternally grateful to Janet Peden and the Boys & Girls Club Board for this wonderful fundraising opportunity.

As a charitable organization independent of the school district, the Foundation supports activities and programs not funded by normal operating budget and tax revenue. We fund INNOVATION. Your tax-deductible donations are directed to support BCISD students and teachers through programs, such as Classroom Grants, Dual Credit Scholarships, College Scholarships and the Blackcat Threads & More free clothing closet.

Through the generosity of our donors and the creative ideas of our teachers, the Foundation has provided over \$150,000 directly into BCISD classrooms in the form of new technologies, challenging ideas and dynamic hands-on learning. These visionary projects have brought state-of-the-art tools and instructional materials that will be used by teachers and students for years to come.

MAKING AN IMPACT

Fueling Education

Since 2022, the Foundation has awarded \$18,600 in Dual Credit scholarships for BCHS Students to earn in class college credit while attending Bay City High School. In 2023 we awarded our first College Scholarships totaling \$32,000. '81 alumni Millie Crawford and her family have generously donated \$12,188.00 to the Foundation for scholarships and grants. This is only one example of our many supporters who fund innovation through their donation.

We sincerely thank our current and past donors for their generous support and could not do this without you! We strive to strengthen collaboration with our community members, leaders and business/industry partners as we continue to provide unique and innovative educational opportunities for our students. Join us in supporting...OUR KIDS. OUR SCHOOLS. OUR COMMUNITY.

Blackcat Threads & More is a free store for disadvantaged students to obtain new/gently used clothes, shoes, underwear, socks, coats, personal hygiene items and school supplies. Our goal is to ensure all students and their families have the items needed to arrive at school clean, confident, and prepared to learn.

The Bay City ISD Education Foundation was formed in 2019 as a community-led non-profit organized for the purpose of supporting educational excellence in Bay City ISD schools. We seek to enhance student achievement, recognize and promote exemplary staff involvement, and foster community support for Bay City schools.
